Explosives Storage Sign Systems

Fire Symbol Quick-Change Sign Book

Multiple sign book for structures requiring frequent symbol changes for explosives being stored. Incorporates quick-change "flip page" feature for displaying appropriate fire symbol as needed for storage facility. Four quick release fasteners hold sign pages firmly in place. Flange base plate allows for easy attachment to structure. KRES-KLAD, 3M SCOTCHCAL coated symbol pages assure permanent, color-fast, long-lasting signs.
